

# BIOSIMILAR

## WORKSHOP 2020

ICT, MUMBAI  
Feb. 3-8, 2020

We are pleased to inform you that the Institute of Chemical Technology, Mumbai (ICT) is conducting the 3rd Biosimilar Workshop from February 3-8, 2020, which will include the following sub-programs.

### Biopharmaceutical Skill Development Program

Sponsored by National Biopharma Mission, BIRAC (February 3-7, 2020)

Deadline: 15th Jan, 2020

The workshop aims at providing specialized training programme to 100 candidates towards various aspects of biopharmaceutical product development, with special emphasis on developing monoclonal antibodies. Parallel hands-on-training program on:

#### Module 1

DSP, Purification and Formulation

#### Module 2

Cell Line development and Upstream Bioprocessing

#### Module 3

Biophysical characterization of biologics/biosimilar

#### Module 4

CQA of biologics/biosimilar

### Biopharma Exhibition

(February 4-6, 2020)

Exhibitors representing relevant professional business and organization, sponsors from industries will display their products and services. Biopharma Exhibition offers the exhibiting companies the opportunity to present to an audience of experts here.

### Biopharma Job Mela

(February 7, 2020)

Demonstration of best HR practices by Biopharma Industry and availability of employment opportunities

#### Registration Details:

Academics : INR 500  
Industry : INR 1000  
Bank Details : For Online transfer  
Account name : Bank of Maharashtra, Kings Circle  
Account : 20019464929  
IFSC Code : MAHB0000339

### Leadership Conclave

(February 8, 2020)

ICT joins hands with USP to organise Leadership Conclave with theme "Affordable Biologics/Biosimilars"

#### Registration Details:

Academics : INR 15000 + 18% GST  
Industry : INR 10000 + 18% GST  
Bank Details : For NEFT/RTGS  
Account name : Bank of Maharashtra, Kings Circle  
Account : 20019464929  
IFSC Code : MAHB0000339
